PROFESSIONAL EXPERIENCE

University of Virginia Japanese Department, Charlottesville, VA August 2025 - Present
Grader & Assistant

- Evaluates and grades weekly homework, quizzes, and exams for introductory Japanese language courses
- Assists professors in maintaining accurate grade records and performance tracking for 40+ students
- Created structured study guides and grammar practice materials to reinforce key concepts for beginner-level Japanese learners

Jefferson Consulting Collective, Charlottesville, VA August 2024 - Present
Financial Consultant & VP of Outreach

- Worked with a four-person team for Europe-based ESG Real Estate Lab; Conducted quantitative and qualitative research on American university students’ ESG awareness and proposed a targeted outreach plan to increase the Lab’s visibility and engagement in the U.S.
- Cold-called and emailed 300+ middle-market and startup companies, securing 20+ key partnerships and connections
- Delivers strategic recommendations that guide clients’ expansion plans and informs market entry decisions

Venture Cooperative by Laconia Capital, Remote February 2025 - June 2025
Fellow

- Selected to participate in a cohort-based venture capital fellowship program (Venture Cooperative), serving as an accessible on-ramp to VC investing.
- Sourced startups aligned with Laconia Capital’s investment thesis, assessing founder expertise, market fit, and scalability for potential investment consideration
- Gained exposure to Laconia’s deal pipeline and investment strategy, including opportunities to shadow deals and assist in due diligence. Participated in 30+ informational and shadowing sessions with venture capital professionals acquiring insight into deal sourcing, startup evaluation, and investment decision-making

LEADERSHIP EXPERIENCE

Smart Woman Securities, Charlottesville, VA August 2025 - Present
Analyst

- Co-manages SWS’s \$150K+ student-run investment fund, evaluating market trends and analyzing company performance to support capital allocation decisions and execute buy orders
- Presents stock pitches and equity research while analyzing companies and making valuations; Most recently presented a 3-year buy recommendation on MP Materials to the fund committee, supporting the pitch with DCF valuation, industry research, and financial ratio analysis
- Gained hands-on experience in portfolio management, financial modeling, investment analysis, and risk assessment

Japanese Student Association at UVA, Charlottesville, VA April 2024 - Present
Finance and Fundraising Chair

- Organizes and executes cost-effective fundraising initiatives, including cross-organization social events and snack box sales, generating \$500+ in revenue with minimal initial investment
- Leads a team of three in managing and allocating a \$2,200 budget across multiple committees, overseeing fund collections and reimbursement processes
- Developed detailed financial reporting systems to monitor budget allocations and fundraising revenue, improving profit margins by 20%

FLEX Abroad, U.S. State Department, Washington D.C. & Warsaw, Poland May 2022 - April 2023
Representative to Poland

- One of four people chosen nationally to study abroad in Poland for one year and work with the US embassies to foster better diplomatic relations between the Polish and American youth
- Coordinated diplomatic outreach events in Poland, presenting to 200+ students and officials on U.S. foreign policy initiatives; fostered cross-cultural dialogue and gained further experience in public speaking
- Selected to travel to Tbilisi, Georgia, in 2023 to gain hands-on experience in project development and implementation
